

– KANSAS OPTOMETRIC ASSOCIATION'S –
EYEBALL PUB CRAWL

THURSDAY, APRIL 25 AT 7:45 P.M.

Pub crawlers,

We are excited to announce the return of Kansas Optometric Association's Eyeball Pub Crawl, taking place in Aggieville (a drinking/dining district in Manhattan, KS). Mark your intent to attend on your Convention and Seminar registration; register before April 1 to get your Eyeball Pub Crawl t-shirt!

All Convention & Seminar 2024 attendees (both ODs and Assistants) are invited to attend. Pub crawlers will receive a wristband and be transported to the first bar stop. Bar sponsors will have a roll of tickets to hand out to crawlers for a drink. Each bar stop will give you approximately 30-45 minutes to socialize before moving along to the next!
